My suggestions for smoothing out large variances in south-west Rushcliffe:

Move Willoughby (currently 457 electors) from Keyworth to Bunny

Move Costock (504) from Bunny to Leake

Move West Leake (116) from Leake to Soar Valley

Result:

Keyworth has 7570 electors or 2523 per councillor (variance of +4%)

Bunny has 2277 electors and 1 councillor (variance of -6%)

Leake has 7799 electors or 2666 per councillor (variance of +9%)

Soar Valley has 2201 electors and 1 councillor (variance of -9%)
