### Comment text:

I am a resident of the small part of the existing Lady Bay ward which 'outlies' across Radcliffe Road. However, I have never felt this to be anomalous. There is a very close affinity-culturally, economically, indeed in every demographic indicator.between Lady Bay 'core' and Edward Road, Crosby Road and Ella Road. This close affinity also applies to Albert Road, Violet Road, Trevelyan Road and others. On the other hand there is little such affinity between these areas and the rest of Abbey Ward-indeed little or none between 'core' Lady Bay and Abbey. It would be far better to expand the existing Lady Bay ward to encompass the above areas-leaving it as a two member ward. It would also be far better ti retain the name Lady Bay which has great historical significance and current resonance rather than the anonymity of Abbey.
