Comment text:

Following the Local Government Boundary Commission for England reversal on its decision to abolish Cranmer ward as an electoral division of Rushcliffe Borough Council It makes no sense to then exclude Scarrington from the ward. The nature of any concerns and issues raised in the Scarrington will have far more in common with its village neighbors than with the much more densely populated area of North Bingham. We are 50 houses, 3 farms, and couple of small businesses, the concern is that the needs of village will simply "get lost".
