

**Stockton-on-Tees Borough Council****Personal Details:****Name:** [REDACTED]**E-mail:** [REDACTED]**Postcode:** [REDACTED]**Organisation Name:****Comment text:**

Yarm has nothing in common with its neighbours in the borough of Stockton. Traditional boundaries such as the river should be used for demarcation. It would be far more sensible to have Yarm and other parts of the borough which are located to the south of the river boundary, restored and aligned with other like-for-like market towns such as Northallerton and Stokesley in the district of Hambleton, North Yorkshire.
