I live in Shuttleworth which is at the top of PeelBrow in Ramsbottom, I shop in Ramsbottom and I feel part of the community in Ramsbottom I volunteer in Nuttall park and run a toddler group in that park I feel the local community in Shuttleworth would say it is part of Ramsbottom because it's connection to the town and being in walking distance to the town so we use the shops the library and facilities in the town centre, feel localism is important and that Shuttleworth is Ramsbottom and should therefore stay in the boundary of Ramsbottom.
