Comment text:

Please DO NOT change the Southam, Stockton and Long Itchington ward boundaries. Southam is a growing market town that has very little in common with the villages of Long Itchington and Stockton. The current Southam councillors work effectively together to work for the best interests of the residents of Southam. It is only through the work of the dedicated Southam councillors that HS2 reversed their decision to extend the closure of the A425 between Leamington and Southam.
