I object to the proposals relating to Long Itchington & Stockton. LI&S are village communities with little in the way of council funded provision. Their needs are different to the market town of Southam and does not meet your own boundary commission criteria for ward connection. Additionally I strongly object to the name for the proposed ward. Providing the largest population in the ward Long Itchington should come before Southam North. The ordering only serves to amplify the fact you view towns as more important and the surrounding areas as second class citizens.
