I live in Stockton and strongly object to having Stockton join Southam Ward. We are a rural community and our concerns are completely different to that of Southam town. I want the Long Itchington/Southam Ward to remain. Southam should go back to having a three Councillor multi-member Ward as it did in the past, and Stockton/Long Itchington should continue to have representation for the things that matter to us. Our voices will be lost under the current proposal.
