I would like to strongly oppose the new suggested boundaries for The Parks & Lodge Park Drive to move to the parish of Bengeworth. This negativity affects our catchment schools for our children that we had incorporated in our decision to move to this location. By changing the boundaries our catchment first & middle schools change creating a new issue, given that the Bengeworth catchment first school is already full. Badsey first school, however, is not at maximum capacity & so to make the boundaries of the parish smaller is illogical & will negatively impact children & families that currently will have a place in their catchment school. I would like to propose that The Parks & Lodge Park Drive remain in the parish of Badsey & Aldington.
