I am a member of [REDACTED], but am writing in a personal capacity. I note that it is proposed to move an area - Sheriffs Lench, Badgers Hill, Hipton Hill ([REDACTED]) from Inkberrow Ward to Harvington and Norton. This area is within South Lenches Parish. This would be acceptable on the strict understanding that the corresponding councillor would be responsible to South Lenches Parish Council to report on activities there, and would be expected to attend meetings of the Parish Council in the way that the Inkberrow councillors do at present.
