Comment text:

Great Comberton Parish Council fully endorses and supports Little Comberton's submission on this subject. We share all aspects of village life with Little Comberton and Elmley Castle, from our incumbent priest to the bellringers and choir in addition to the aspects noted by Little Comberton. Most importantly our planning and transport concerns are closely linked. We welcome the efforts made to amend the boundaries so far but urge you to reconsider splitting the Combertons from Elmley.
