Badsey is growing at a fast rate and residents of Bowers Hill area which on the southern most tip of Parish are getting neglected. Bowers Hill rubs shoulders with Wickhamford Parish. Its next to the Wickhamford Church and borders Gloucestershire. Wickhamford is a much smaller parish and would benefit from the additional precept. It would be very easy to transfer Bowers Hill to Wickhamford as they sit side by side. To access Bowers Hill you either drive from Willersey Parish area (Gloucestershire) or through Wickhamford. This represents the views of all residents of Bowers Hill.
