### Comment text:

The spine road a189 should be the divider for kitty brewster ward anything west of the A189 should fall into bedlington area. Kitty brewster ward and cowpen ward should be combined into one area as currently it is split on the industrial estate and the major road into blyth, which causes massive issues with NCC and the town council. The Isabella heap should fall under the Isabella ward and be removed from newsham ward Isabella ward and plessey ward should become one likewise with Croft ward and wendsleydale ward
