A large black rectangular box redacting the personal details of the user.

Comment text:

Burford, in the Clee area, should leave Shropshire and become part of Worcestershire. Shropshire makes plans for new housing in Burford without considering the strain on the facilities in Tenbury Wells. We, in Burford, use the Doctor, Dentist, Optician and the crowded roads in Tenbury .I would say that, in Burford, we are probably 7/8 miles from the nearest other property in Shropshire, we are an anomaly.
