Organisation Name:

Comment text:

I feel very strogly that the community of Fulmer remains linked to Gerrards Cross and that this does not change to Wexham. We do all our shopping in GX, catch the train from there and visit the restaurants and cafes regularly. I don't think we have had cause to go to Wexham or Farnham for the last two years at least, whereas we go to Gerrards Cross every day. Please retain the boundaries as they are. Thank you.
