**Related subject:** Gerrards Cross

Two Points:- First, please keep the A40 end of the Fulmer Road in Gerrards Cross and NOT put it into Denham. There is almost no contact between the two.

Second, Please keep Fulmer in with Gerrards Cross. It is not co-terminus with Farnham, but is bound up with Gerrards Cross. Local loyalty has been so important with Covid and this would totally destroy the strong affinity that has been built up over a long; time.
