Organisation Name: (Member of the public)

Comment text:

A neighbour has just brought to my attention that there is apparently an ongoing attempt to change the ward boundaries which I understood had been settled and maintained South Park Drive within Gerrards Cross.

I strongly object to being separated from my own town area whose retail shops, recreational areas and other businesses I know and support. I moved to Gerrards Cross for the facilities it offers in a village atmosphere all within walking distance.

I definitely feel part of the Gerrards Cross community and wish to continue to have a say in its future.
