Comment text:

>> Morning

>> I am writing to inform you of my objection to the proposed idea of linking Fulmer with Farnham instead of Gerrards Cross and Denham.

>> Fulmer is in affect a village on the outskirts of Gerrards Cross and no where near Farnham. We shop in Gerrards Cross, use the amenities in Gerrards Cross and use public transport around the area. The links between the two area have always been close and much less so Farhnam and Stoke Poges where we rarely use their facilities.

>> Adding Fulmer to Farnham makes very little difference to the inequality in this ward compared to other options and would cause considerable harm with community cohesion.

>> I would request that the Commission include Fulmer in the Gerrards Cross ward.

>> Many thanks
