### Comment text:

I would like to ask that proper thought and consideration be given to the proposed boundary changes to Southborough and High Brooms. This would not only be damaging to our Parish Council, but the proposed changes make no sense. You would not only be splitting up historic Communities, but, in addition annexing St Matthew's school High Brooms from its catchment area and church !! This is just nonsense! You need to give better and considered thought that works for the town and its communities and residents and doesn't just tick a box to suit the boundaries commission.
