Related subject: Camp Hill / St Mary's

I do not agree which how the electorate of the Camp Hill area have been detached with some (including my area) attached to what is predominately the Abbey Green area of Nuneaton Town Centre.

I do not think the decisions and feelings of those near the Town Centre will reflect the feelings of those in South Camp Hill - we will become the 'poor cousin' of the electoral ward, and won't feel like our views will be taken into consideration.
