

## North Tyneside Borough Council

### Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

### Comment text:

I support the proposals, I live in the present Valley Ward and we are under represented by councillors, this is mainly due to a large number of housing developments in the Valley Ward. Given that North Tyneside Council wish to remain at three councillors per ward, I cannot see any other solution. This is also a more natural boundary in the north of the ward.
