Dear Sir / Madam,

I am writing to express my full support for the proposed Cullercoats and Whitley Bay South Ward.

As a resident of this community, I believe that this proposal will bring about significant improvements in the quality of life for all who live here and improve our representation on the Council.

Firstly, I would like to commend the LGBCE for recognising the need to address the ongoing issues of litter and fly-tipping in our area. These problems have long been a source of frustration for residents, and it is encouraging to see that action is being taken to address them. The proposed Ward will allow the bringing together of local people, businesses, and council officials to work collaboratively in tackling these issues, which will help to create a cleaner, safer and more pleasant environment for all.

In addition to this, I believe that the Ward will help to strengthen the sense of community that exists within our area. By bringing together local stakeholders, it will enable us to work together towards common goals, and to ensure that everyone has a voice in the decisions that affect our community. This will help to foster a sense of pride and ownership in our area, and to create a stronger, more connected community.

Another benefit of the proposed Ward is that it will provide a platform for local initiatives and events. By supporting local businesses and community groups, it will help to boost the local economy, and to create opportunities for people to come together and celebrate the diversity and vibrancy of our area. This will help to create a more dynamic and welcoming community, and to ensure that our area continues to thrive for years to come.

In conclusion, I believe that the proposed Cullercoats and Whitley Bay South Ward is a positive step forward for our community. It will help to address ongoing issues, strengthen our sense of community, and provide a platform for local initiatives and events. I wholeheartedly support this proposal.

Thank you for your attention to this matter.
