Comment text:

Dear LGBCE,

I would like to Oppose the proposed New York and Murton ward within your suggested boundries for North Tyneside.

I believe that the New York and Murton shares

If it,Äôs not broke don,Äôt fix it! How much is this costing that could be invested in to the region to improve it such as pot holes or amenities!! Stop wasting our money on things that don,Äôt needfixing like rake lane cycle routes
