Dear LGBCE,

I would like to oppose the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.

I believe that the Benton & Forest Hall shares

I live in Benton and I did not get any notification of these changes. Someone else told me about it. Whilst I appreciate it's really hard to try and get this right, I think you should leave it as it is. In the north east of the ward there is a natural break on Great Lime Road and the field on Bamburgh Road. On the south west/central part of the ward the metro line and Station Road also form a natural break. Adding the area proposed splits an existing estate.

Many thanks
