Dear LGBCE,

I would like to Oppose the proposed Annitsford, Burradon & Backworth ward within your suggested boundries for North Tyneside.

I believe that the Annitsford, Burradon & Backworth shares

In Backworth we have no connection at all to Annitsford and Burradon, we have with Killingwirth and Shiremoor. There is nothing wrong with existing boundaries, don,Äôt try and fix something that is not broken.

Many thanks
