Dear LGBCE,  
I would like to Oppose the proposed Annitsford, Burradon & Backworth ward within your suggested boundries for North Tyneside.  
I believe that the Annitsford, Burradon & Backworth shares ["Shared sense of being rural"]  
I have already had my say but want to add some more. Backworth is nothing to do with Annitsford and Burradon. Dudley is the 'sister' village to Annitsford with both being connected to Burradon. I propose the Annitsford Dudley and Burradon local area as they have shared history and concerns. At the moment Dudley is split in 2 with some in Annitsford and the rest related to Hazelerigg which it has no connection ions to.  
Many thanks
