Dear LGBCE,  
I would like to support the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.  
I believe that the Benton & Forest Hall shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like schools, shops etc"]  
A sensible geographical area. Other alternative to move large part to Longbenton ward makes no sense whatsoever and I wonder what reasons for suggestion are???  
Many thanks
