Organisation Name: Naseby Parish Council (Parish or town councillor)

Comment text:

Related subject: Naseby Parish Council area

Naseby Parish Council suggests that the Naseby Ward and the Walgrave and East Farndon Ward are combined as a single Ward but with two members.

This would comprise a large rural ward which we believe two councillors could serve effectively and would provide a better elector balance in 2028. The draft Naseby Ward is predicted to be +10% in 2028 whereas the draft Walgrave and East Farndon Ward is predicted to be - 4%.

There are many connections between Naseby and adjoining parishes which lie within the draft Walgrave and East Farndon Ward, in particularly Clipston, Haselbech and Kelmarsh:

The Naseby Group of 7 Churches shares a vicar (Naseby, Welford, Clipston, Kelmarsh, Haselbech, Marston Trussell, Sibbertoft)
Kelmarsh Wind Community Benefit Trust (KWCB) has 2 Trustees from each of 4 parishes (Kelmarsh, Haselbech, Clipston, Naseby) and issues grants.
The 59 / 60 bus service is partially funded by parishes along the route which includes Spratton, Creaton, Thornby, Naseby, Welford, Sibbertoft and Clipston.
Haselbech residents use Naseby's village shop which is their closest.
Haselbech residents vote at a polling station in Naseby
Haselbech children use Naseby's primary school
