## Comment text:

Dear Sir/Madam,

I wish to make it plain that I am much in favour of reducing the number of Councillors for Gateshead. Compared to Leeds and Manchester the number of residents represented by one councillor is shocking. Everyone in this country is having to make savings and this approach should be shared by Gateshead Council, I dread to think how much more finance is being expended when it obviously is not necessary. Public Services are at an all time low, so there is not so much work running these services, the Council should already have depleted their number.

Yours sincerely

[REDACTED].
