

Gateshead

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

I disagree with employing more councilors as we can't keep the leisure centre open because of costs.
Having one of the highest council taxes in the country and employing more councillors does that mean we make more cuts and just blame central government.
Can gateshead council not be more responsible with tax payers money.
