

Gateshead

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

The number of councillors should be greatly reduced to the national average per head of population . At a time when large cuts are being made in the public services provided by Gateshead council , it is essential that the number of councillors and the cost of running the council is reduced dramatically .
