

Staffordshire County Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

Comment text:

We don't need more councillors. We need the councillors to be elected by the people and live within the ward they represent. We need them to do their job. We don't need projects. We need to have our roads properly maintained by a council owned depot NOT subcontractors! Get the basics right first and stop destroying our heritage and market towns.
