The Lichfield Rural East district (up to the Hopwas border) should be under the control of Tamworth Borough Council. There have been and continue to be a lot of new houses being built in that area which is actually much closer to Tamworth than Lichfield. Those residents do not use the facilities in Lichfield but instead use those in the Tamworth area putting extra burdens on our schools, roads, GP/dental services and all other associated public services, but any council tax is paid to Lichfield District Council and therefore Tamworth does not get the benefit of those funds.
