A large black rectangular box redacting the personal details of the user.

### Comment text:

I personally feel that Uttoxeter and the surrounding villages should be part of a new electoral ward. We need our own MP in this area as the current Burton and Uttoxeter one is not effective for us and will not support the views of local people with regard to the regeneration of our town. Administratively, we may benefit by being moved to the Staffordshire Moorlands area as we have more in common with towns like Cheadle and Leek.
