

# Northumberland

## Personal Details:

**Name:** Claire Mitchell

**Email:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** Seaton Sluice Community Association (Representative of a local organisation)

## Comment text:

Dear Commissioner,

Seaton Sluice Community Association objects strongly to the proposal of splitting New Hartley into two, putting part of the village in Blyth Newsham electoral ward.

If this proposal is implimented a strong village community will be destroyed.

It is already difficult to get adequate services from Northumberland County Council and to mess around with Seaton Valley boundaries will make it more difficult for residents to get effective services.

Regards

Claire E Mitchell

On behalf of Trustees of Seaton Sluice Community Association
