Our whole family strongly disagree with the proposal to change our current parish of Brinkburn & Hesleyhurst to move from the Longframlington ward to longhorsley.

Everything that links our parish from schools , healthcare , shops that we use, community facilities and places of work for many has always been with either longframlington and more so Rothbury , we have never had any close ties with Longhorsley with any of these , of anything the parish of Brinkburn and Hesleyhurst if it was to be moved should to be joined with Rothbury and not Longhorsley.
