Related subject: Proposed boundary review

If you are going to revise the zone West Moor has far closer ties to Killingworth or Forest Hall than it does to Benton on Burradon & Camperdown. The inclusion of Fordley in the West Moor/Burradon/Camperdown area makes a nonsense of map B (the North Tyneside proposal). Fordley is clearly part of the Dudley area not Burradon Camperdown & Westmoor. Map A makes more sense & is closer to the existing zone.
