## Comment text:

Dear LGBCE,

I would like to support the proposed North Shields ward within your suggested boundries for North Tyneside.

I believe that the North Shields shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like schools, shops etc"]

The area needs revitalisation. Tynemouth has surged ahead and the rest of North Shields needs to catch up. Ext no the Whitley bay promenade to st Mary,Äôs light house and protect the links from further erosion
