Dear LGBCE,

I would like to support the proposed Preston with Preston Grange ward within your suggested boundries for North Tyneside.

I believe that the Preston with Preston Grange shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like Tynemouth Pool, Morrisons etc"]

Preston Grange already has a great sense of community, which has grown massively across, & since, the COVID lockdown. We already have lots of community initiatives & these are growing all the time. We have interested counsellors who represent us & our community well, & I believe that the new boundaries will only increase these things & make Preston Grange an even better place to live than it is now.

Many thanks
