Dear LGBCE,
I would like to support the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.
I believe that the Benton & Forest Hall shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like schools, shops etc"]
I am supporting the boundary as shown on the above plan but you do not show any alternative plan, but I am given to understand there is one. Why have you not shown it? The above boundary plan encompasses the majority of what I consider to be Benton Forest Hall and I am content with it, but would be unhappy if it was extended to either the north or the west.
Many thanks
