**Related subject:** Dormansland boundary

I would prefer that Dormansland remain with a two councillor ward. We are a rural community, in an area of outstanding natural beauty, please leave it to be so.

We have no link to Felbridge, Lingfield does as a road connects them directly.

Dormansland is small village, we do not want to lose our identity by being forced to be added to Felbridge, which is not linked to Dormansland and is a small town, entirely different in make up and being to Dormansland.

Dormansland is a small rural community, it is a village, please leave it as it is.

This boundary change is not required or wanted or beneficial to Dormansland.
