Related subject: Godstone - Bletchingley?

We moved from Godstone Hill, remaining in Godstone but now in Bletchingley Road, not very far from the Green - a few years ago and were unpleasantly surprised to find that although we are now nearer and easy walking distance to the Polling Station in Godstone we now have to drive to Bletchingley to register our Votes.

This may prove difficult in years to come - and wonder why when we live in Godstone that we need to go to Bletchingley to vote - assuming this is some odd boundary perhaps?

It would make some sense and save on travel for the East end of Bletchingley Road Residents to be included in the Godstone catchment surely. Many thanks.
