I disagree with the plan to include Stafford Road and Milner Road in Queens Park instead of the Valley.

I lived in Stafford Road Caterham for 9 years and I feel I belong to the Valley. I shop in the Valley, take the bus from the Valley, have GP Dentist and Vet in the Valley. I think I have been to Caterham on Hill no more than 3 or 4 times in total.

Transport links, Community Groups, Facilities and Interests are all main criteria to identify a community identity, and for Stafford Road residents this is the Valley.

Even the name "Valley" suggest that the naturally identifiable boundary should be at the top of the hill, instead of cutting the valley into two.
