I strongly disagree with your proposed decision to move the boundary line for Caterham Valley. We know that any project ideas we always know we have a good local councilor, has always made some great changes and Alun Jones will personally take care of any issues we have. I can't see any reason for a change for STAFFORD ROAD which is in the valley and not the hill. I have lived in Caterham Valley for 15 years and want to stay in the valley.
