**Related subject:** Whyteleafe

According to the Bourne Society Sir William Jones together with Whyteleafe residents purchased a piece of land for the outdoor sport and recreational use of the residents of Whyteleafe. This is the reason it has since been called the Whyteleafe Recreational Ground (the Rec). It is held in trust to protect this community purpose and actively supported by the Whyteleafe Village Council.

It would therefore be illegal for the Boundary Commission to change its original purpose by assigning this essential Whyteleafe facility to Warlingham.

Furthermore the neighbouring roads including Downsway, Maple Close are an integral part of the Whyteleafe Valley Community.

The number of residents living in flats in our area is one of the highest in Tandridge and they need to have local facilities within their community for their children.
