**Related subject:** Town ward

Why does Siddal and Southowram have to be part of Town Ward. Both are villages somewhat distanced from Town. Although we have 3 representatives they do very little for us as I feel their concentration is mostly on the 'Town Centre' part of the ward. Make Siddal and Southowram a single ward. Keep Boothtown in Town ward and include Park Ward if you must. Alternatively put Town with Park which is nearer and Boothtown with Ovenden.
