**Related subject:** Luddendenfoot and Calder

Bring polling district BE from Calder into the ward currently known as Luddendenfoot - this makes sense geographically via the Heights Road and circling the moor in terms of settlements (Midgley, Old town, Chiserly, and Pecket well). Put GF back into Ryburn. Then change its name from Luddendednfoot to "Mytholmroyd and Midgley Moor" to reflect main village and hilltop geography. Change Calder ward name to Hebden and Stoodley. this should balance the population more evenly.
