

# North Northamptonshire

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

First , before this , please stop asking people to sign up to vote then never have elections. Why were the public not asked first? Leave the boundaries as they are and fix your election problem first. Go to the root cause of your problems beforehand.. we need elections first. You keep us out of voting. The people need a citizens group.

## Attached Documents:
