Norton in Hales Parish Council has noted that no changes are proposed to affect Norton in Hales Parish. The Parish Council wishes to put forward a proposal for consideration. The Parish Council is of the opinion that it is no longer appropriate for Norton in Hales to be affiliated with Market Drayton East and that it would be more appropriate, in terms of synergy, for it to be aligned with Prees Division to reflect the 3 Parish Neighbourhood Plan, which is in its final stages, so that it can join its partners, Moreton Say and Adderley Parishes. Furthermore, Norton in Hales Parish Council does not believe that it receives true and adequate representation from sharing a Unitary Councillor who also represents Market Drayton East as there is a direct conflict of interests between the Town and the rural areas, which was clearly demonstrated when Market Drayton undertook a Neighbourhood Plan (failed). Therefore, Norton in Hales Parish Council formally requests that its Parish be included into Prees Division.
