Comment text:

Related subject: Much Wenlock Division

Much Wenlock Town Council objects to the removal of Easthope, Shipton and Stanton Long from the Much Wenlock division. The community identity of these parishes is aligned with Much Wenlock and they would prefer to remain in Much Wenlock division. Much Wenlock Town Council recognises that the residents of Broseley Wood feel part of Broseley and look to that town for community and services. Much Wenlock Town Council would support the inclusion of Broseley Wood in the Broseley division, rather than retention in the Much Wenlock division.
